Welcome, welcome to Finale, the third and final book in the #1 New York Times bestselling Caraval series!

Welcome, welcome to Caraval...all games must come to an end.

Itâ€™s been two months since the last Caraval concluded, two months since the Fates have been freed from an enchanted deck of cards, two months since Tella has seen Legend, and two months since Legend claimed the empireâ€™s throne as his own. Now, Legend is preparing for his official coronation and Tella is determined to stop it. She believes her own mother, who still remains in an enchanted sleep, is the rightful heir to the throne.

Meanwhile, Scarlett has started a game of her own. Sheâ€™s challenged Julian and her former fiancÃ©, Count Nicolas dâ€™Arcy, to a competition where the winner will receive her hand in marriage. Finally, Scarlett feels as if she is in complete control over her life and future. She is unaware that her motherâ€™s past has put her in the greatest danger of all.

Caraval is over, but perhaps the greatest game of all has begunâ€•with lives, empires, and hearts all at stake. There are no spectators this time: only those who will win...and those who will lose everything. . .
